Open Demo Account

Fill in the details and press “Login”

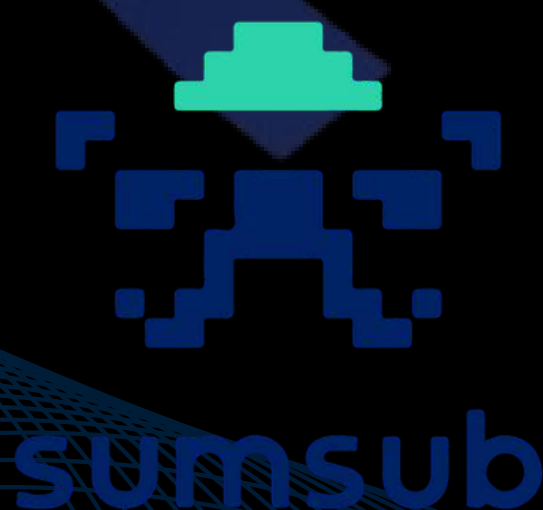

# Prove your identity

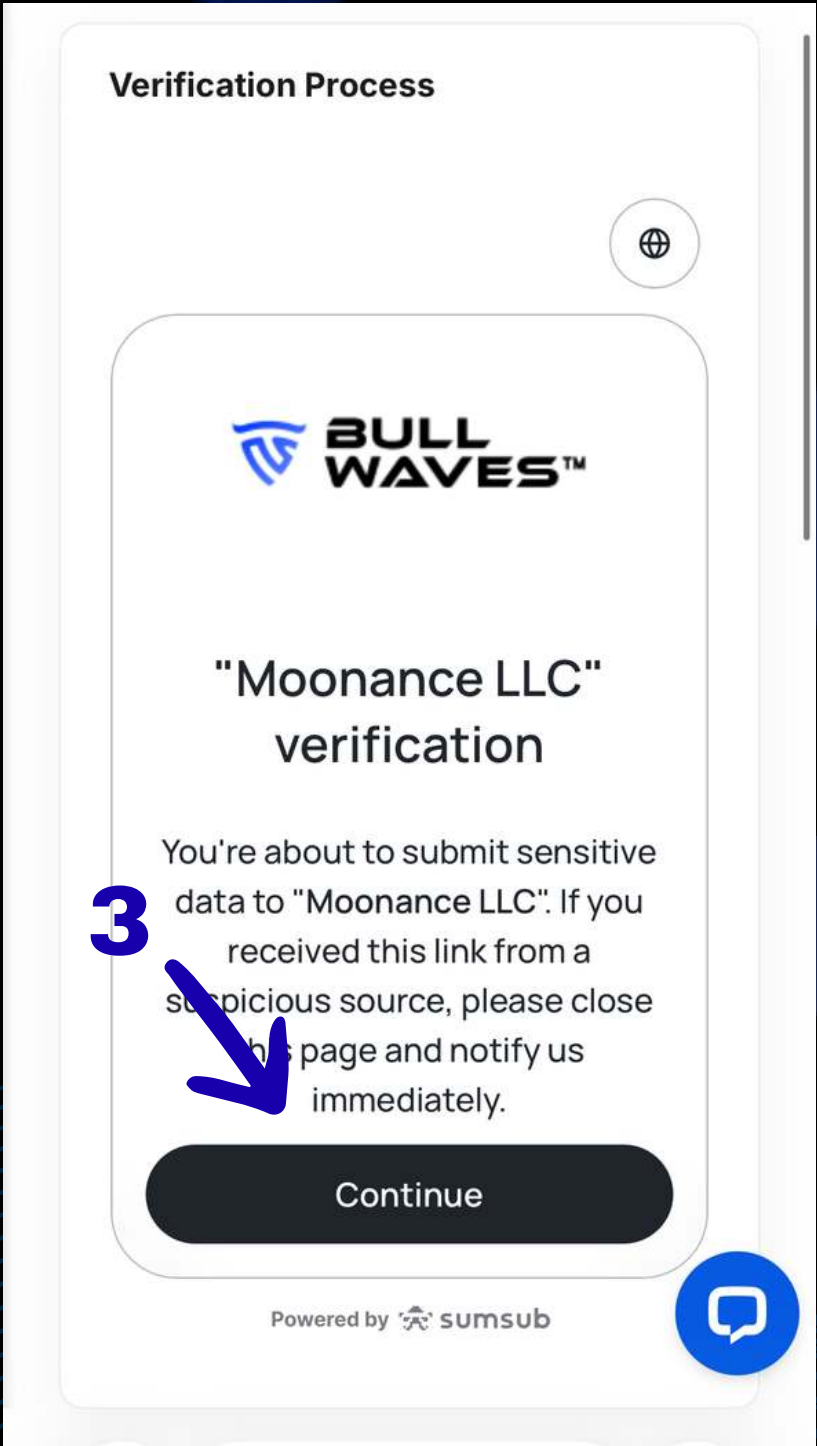

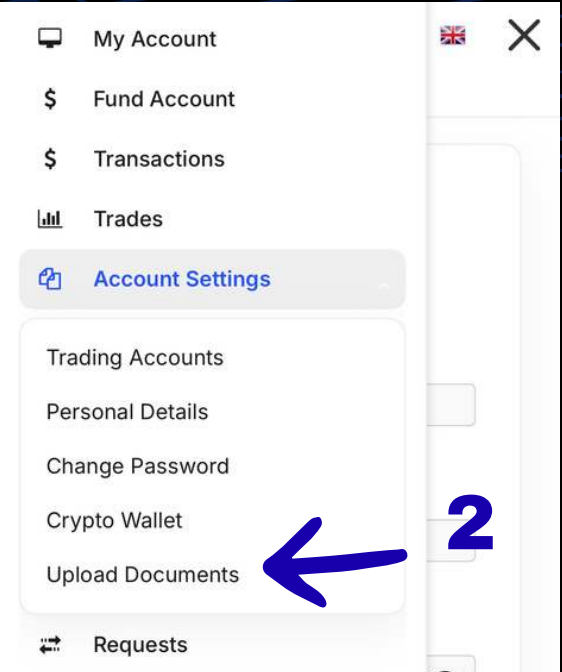

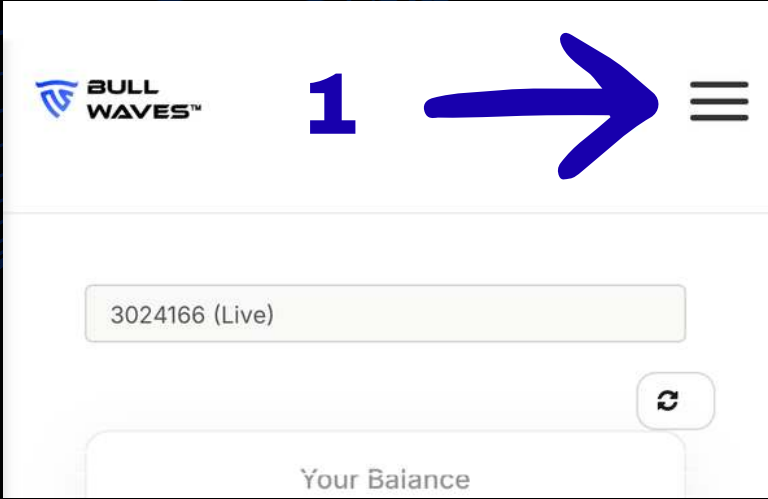

In forex/cfd trading, you need to prove that you are yourself.

This is called a KYC (Know Your Customer). And is usually ID verification and proof of address.

Also make sure to confirm POA (Proof of address)

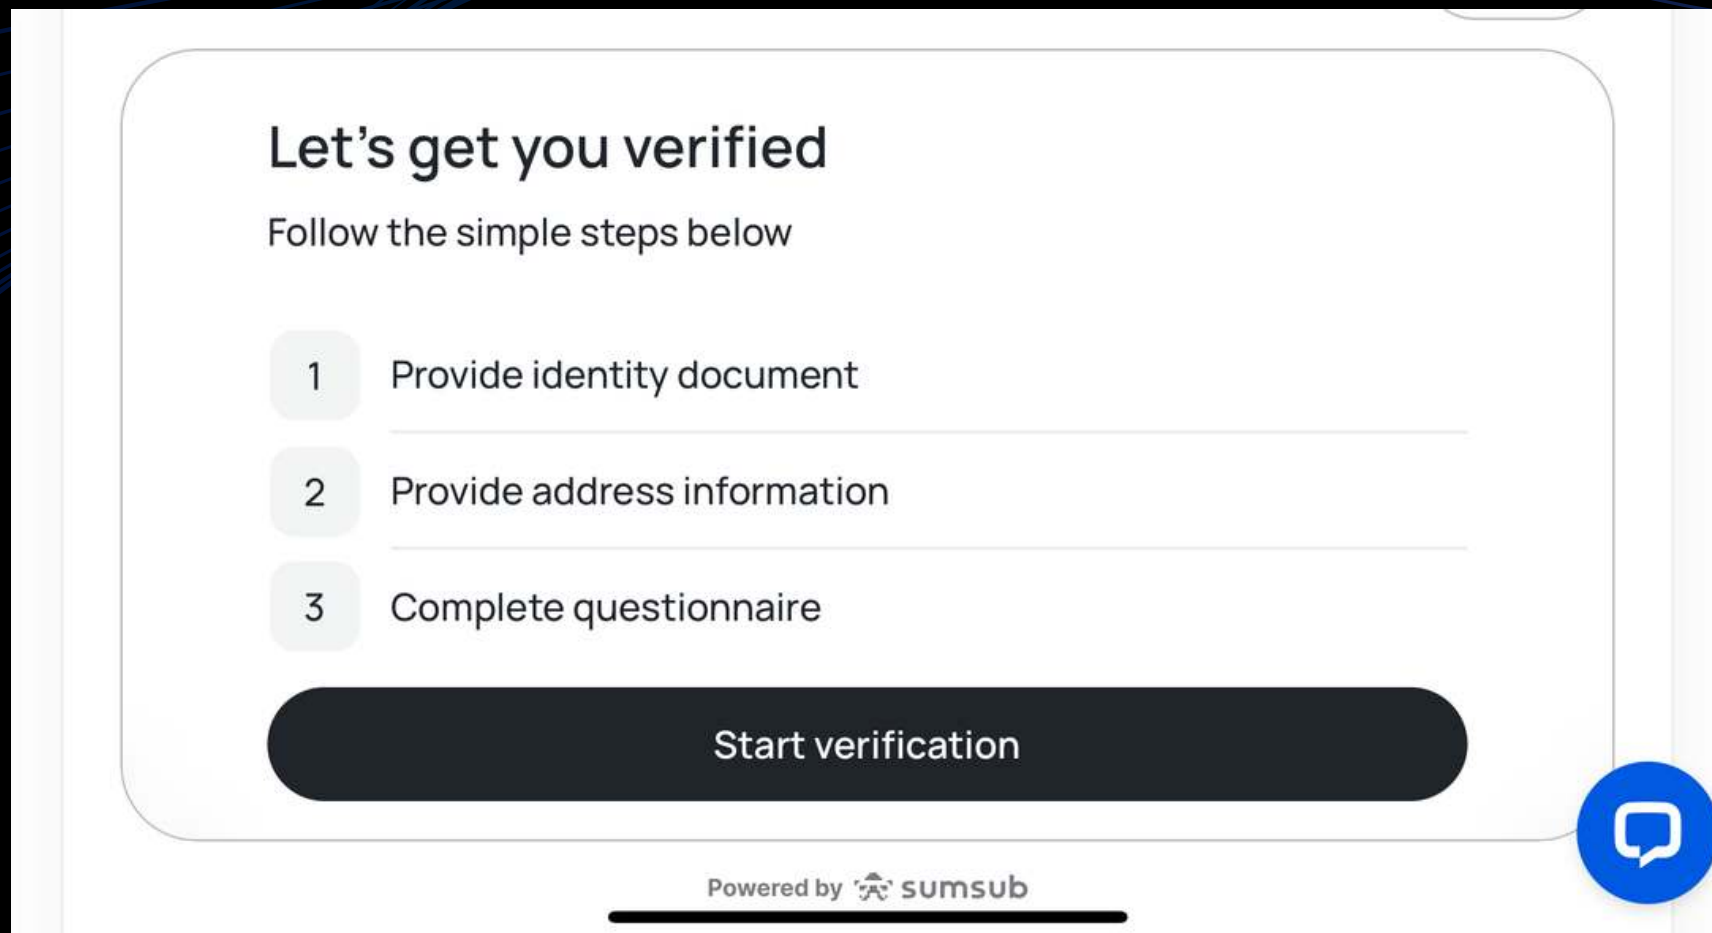

# Prove your identity

Press "Continue"

# Prove your identity

A screenshot of a verification interface. At the top, it says "Let's get you verified" followed by "Follow the simple steps below". There are three numbered steps: 1. Provide identity document, 2. Provide address information, and 3. Complete questionnaire. Below the steps is a large dark button labeled "Start verification". At the bottom, it says "Powered by sumsub" with a logo. A blue chat bubble icon is in the bottom right corner.

Let's get you verified

Follow the simple steps below

- 1 Provide identity document
- 2 Provide address information
- 3 Complete questionnaire

Start verification

Powered by  sumsub

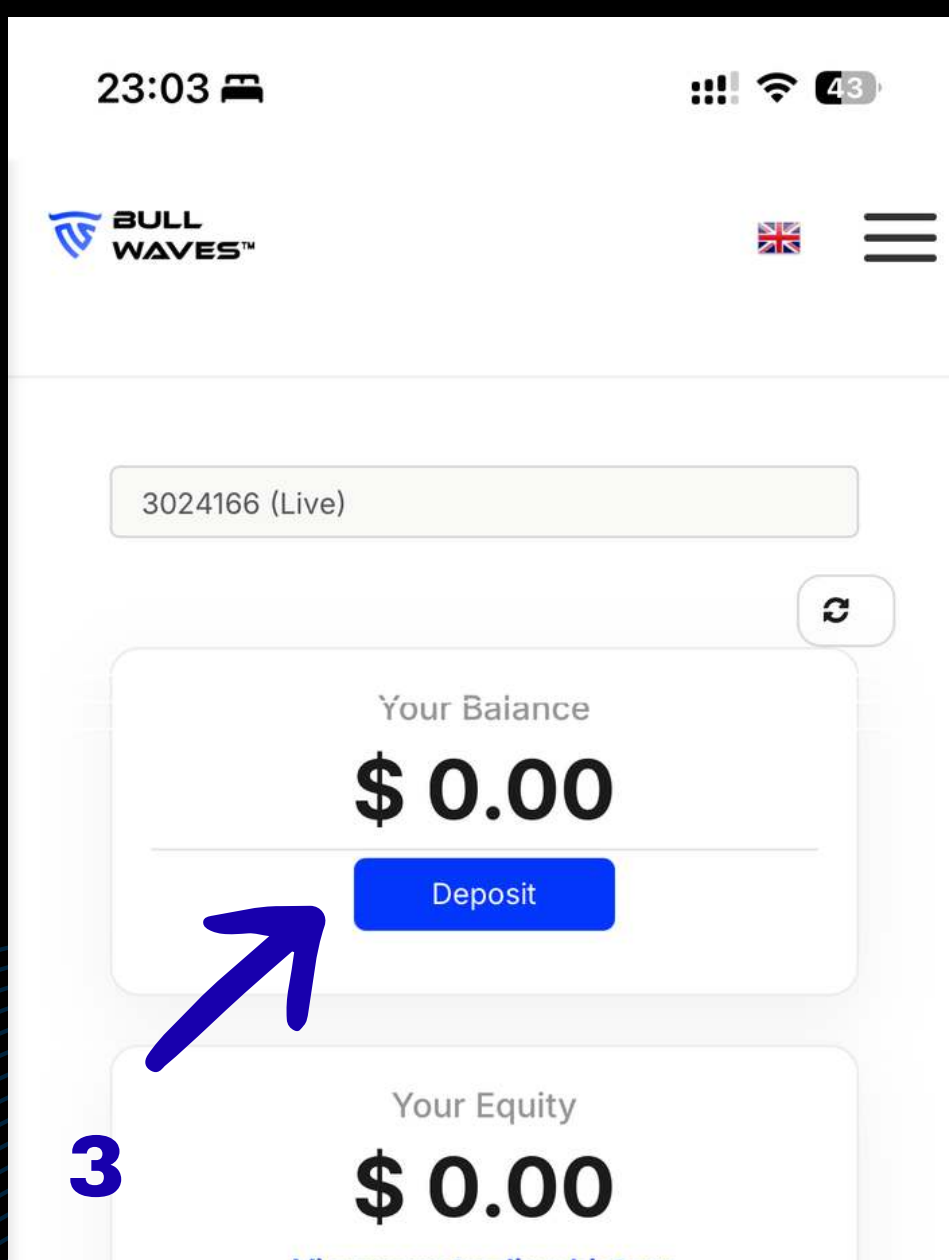

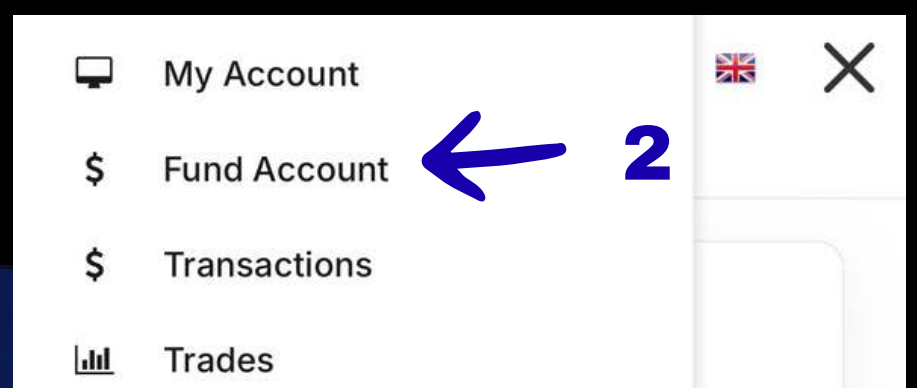

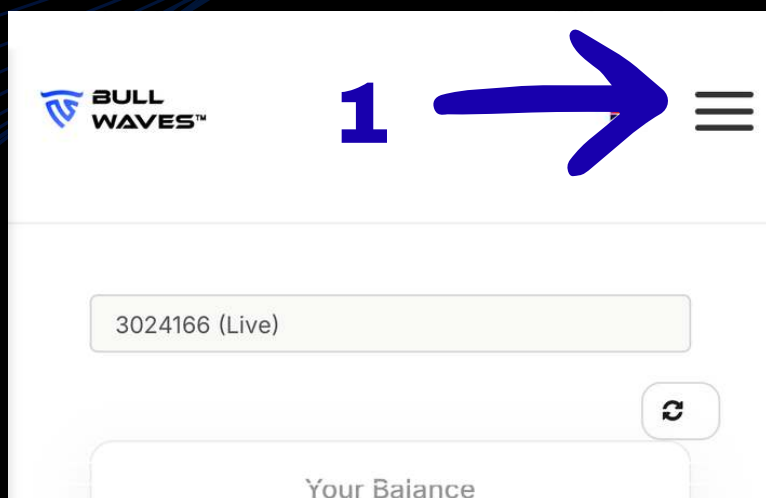

Press “Start verification” and follow the steps

\*The time to check the documents usually takes 3-10 minutes

# Fund your account with minimum \$250

(\*IMPORTANT always add \$5 when paying with crypto because of fees)

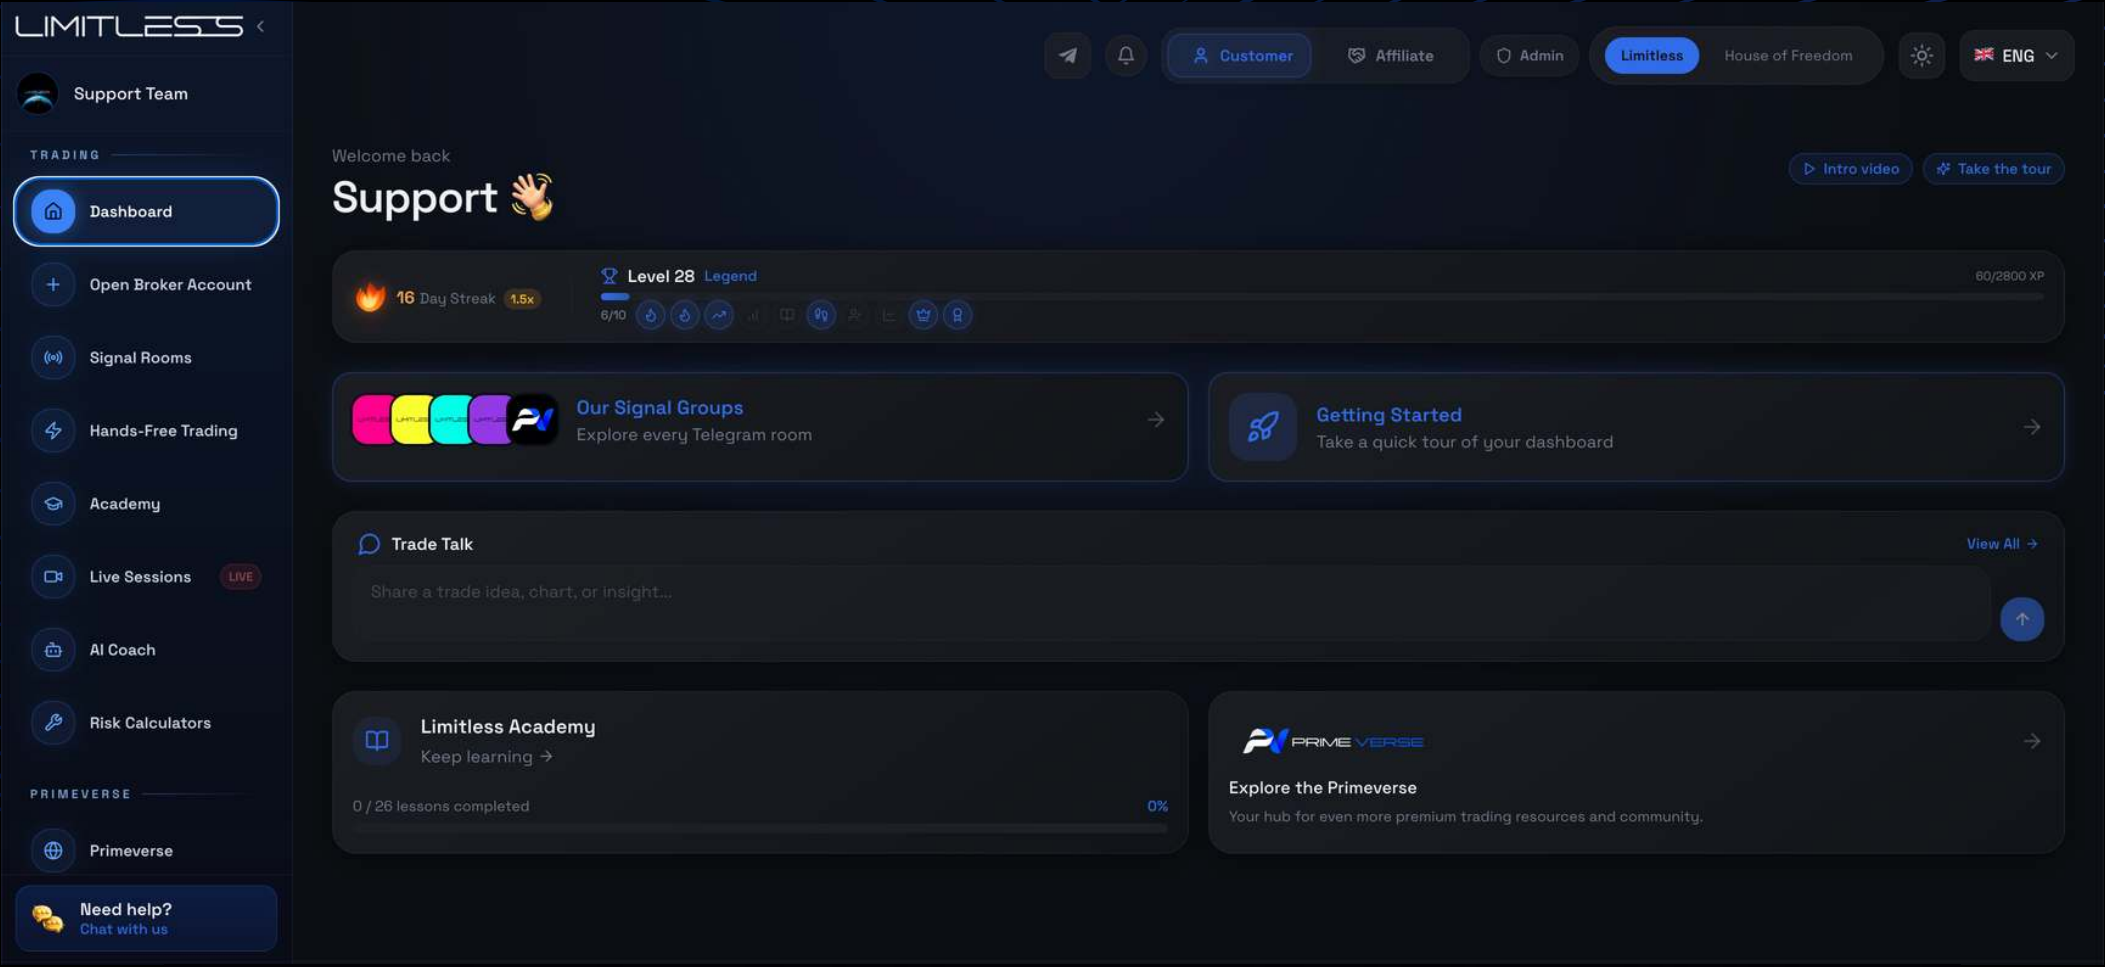

PLEASE NOTE: For better risk management, we recommend starting with \$1,000 or more. Lower deposits involve higher risk and are used at your own discretion.

Press “Deposit”

Start with \$1000+ and get **FREE** access to the  
World of Limitless Trading Ecosystem  
(Check Next slide)
