NO Promocode needed

Press “Next” when filled

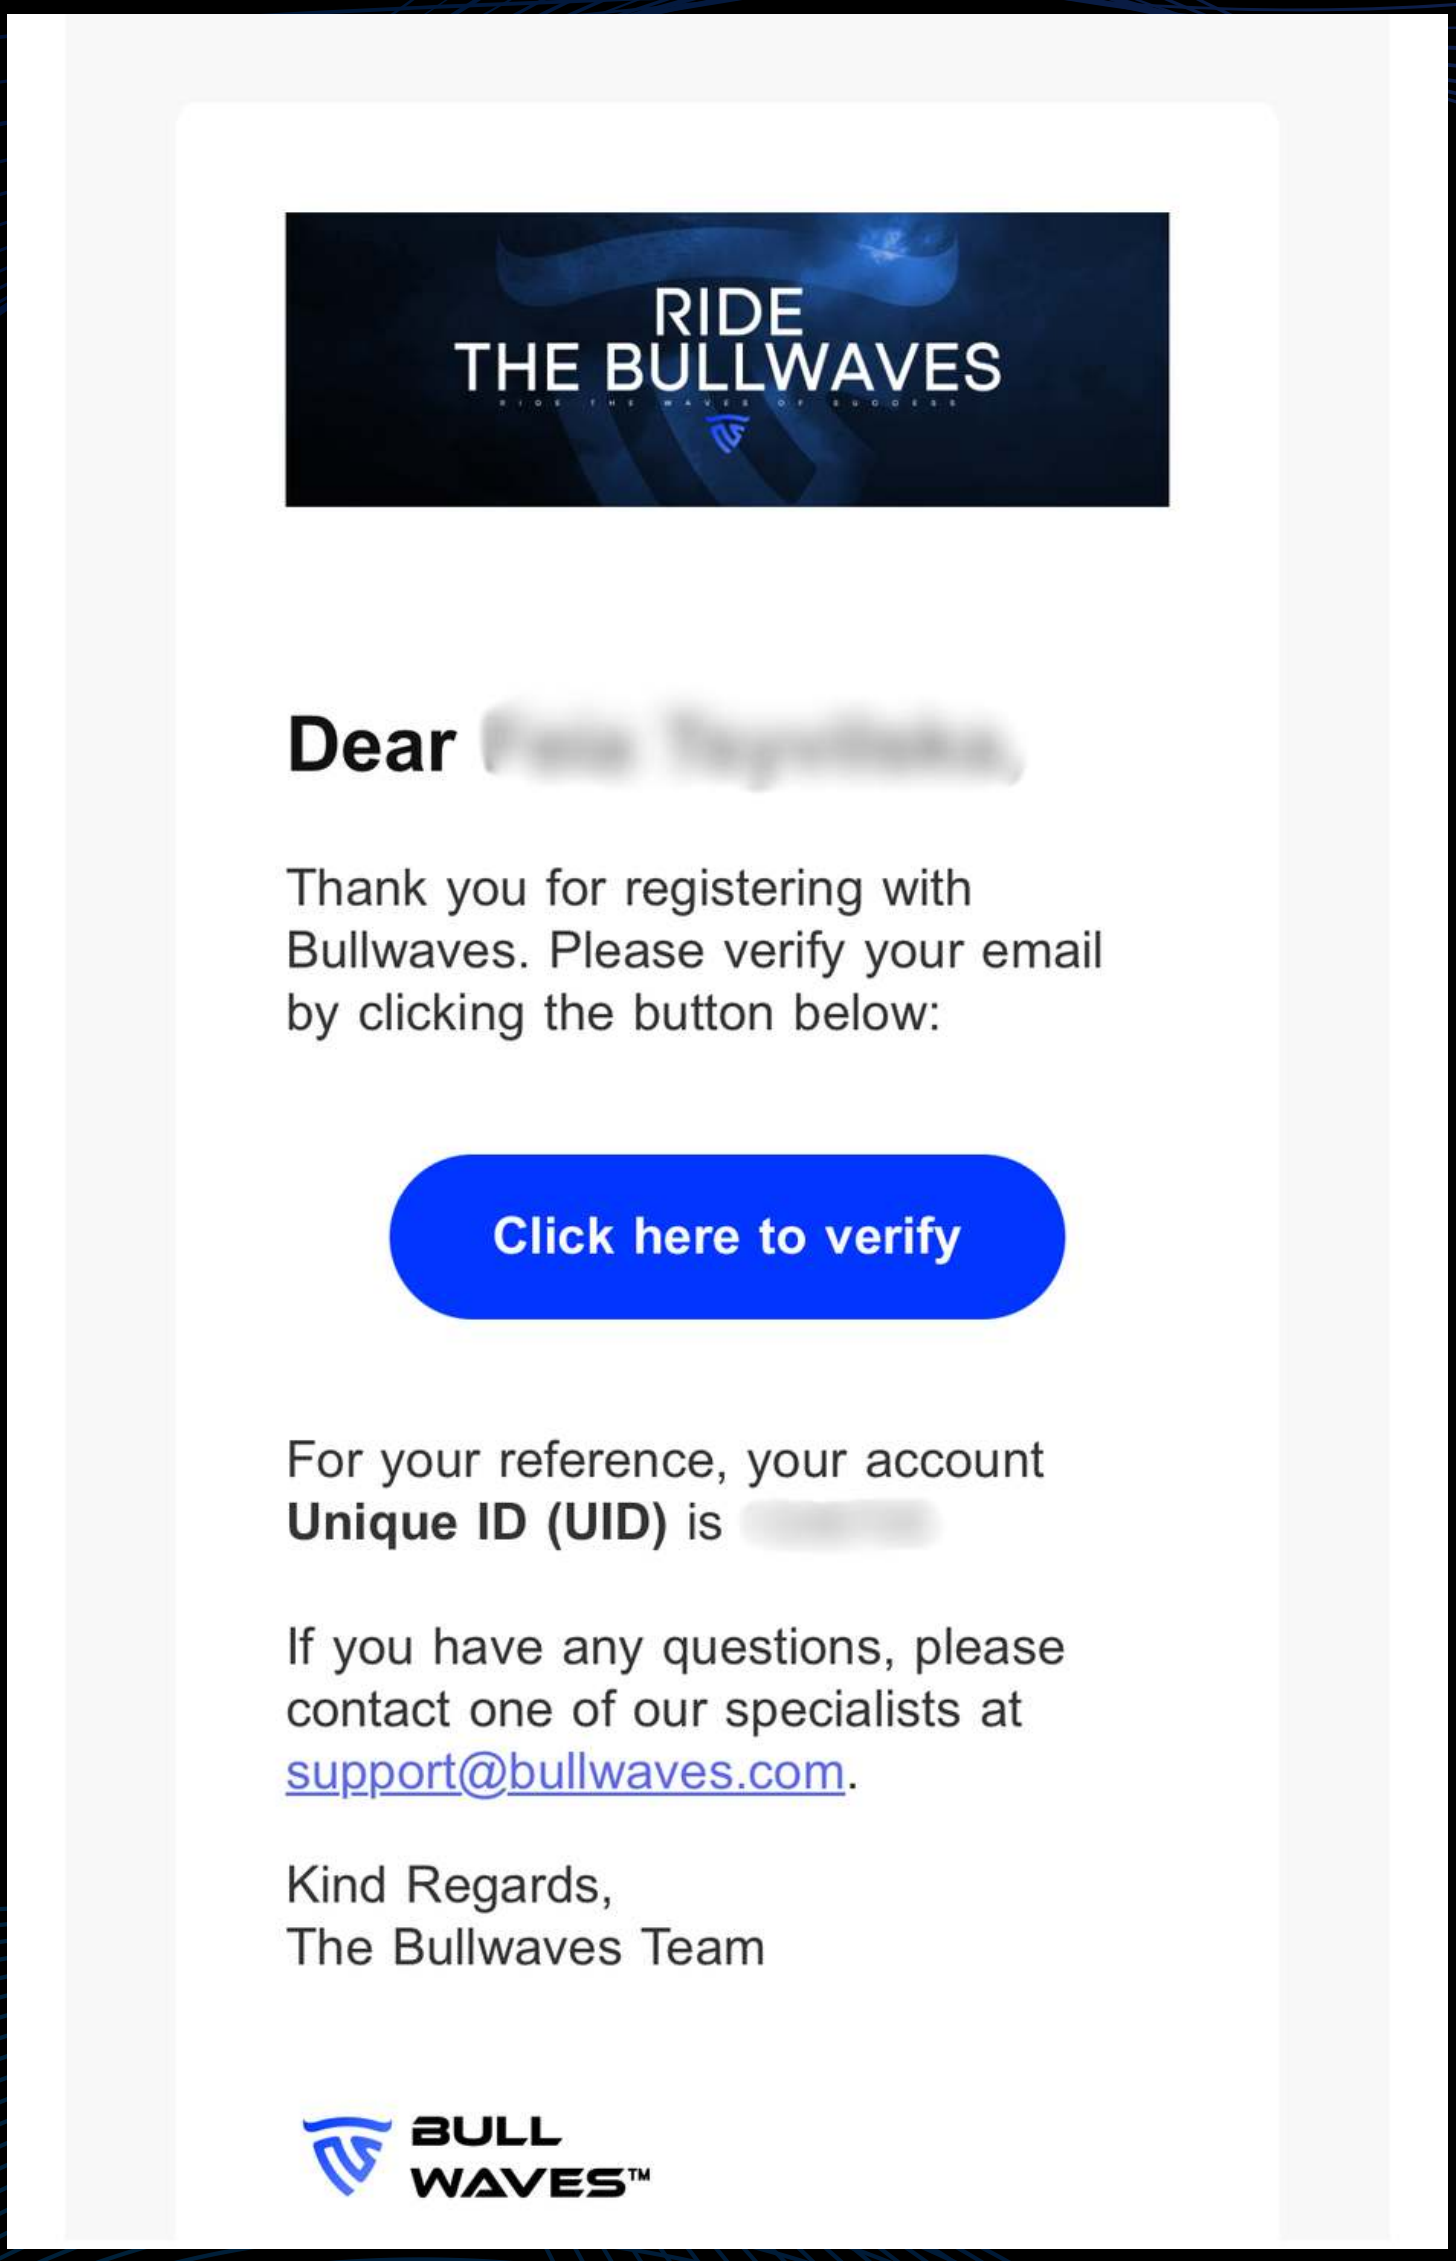

**IMPORTANT: Make sure to use the link provided, by using the button on the previous page.**

# More Details (2)

Press “Start Trading”

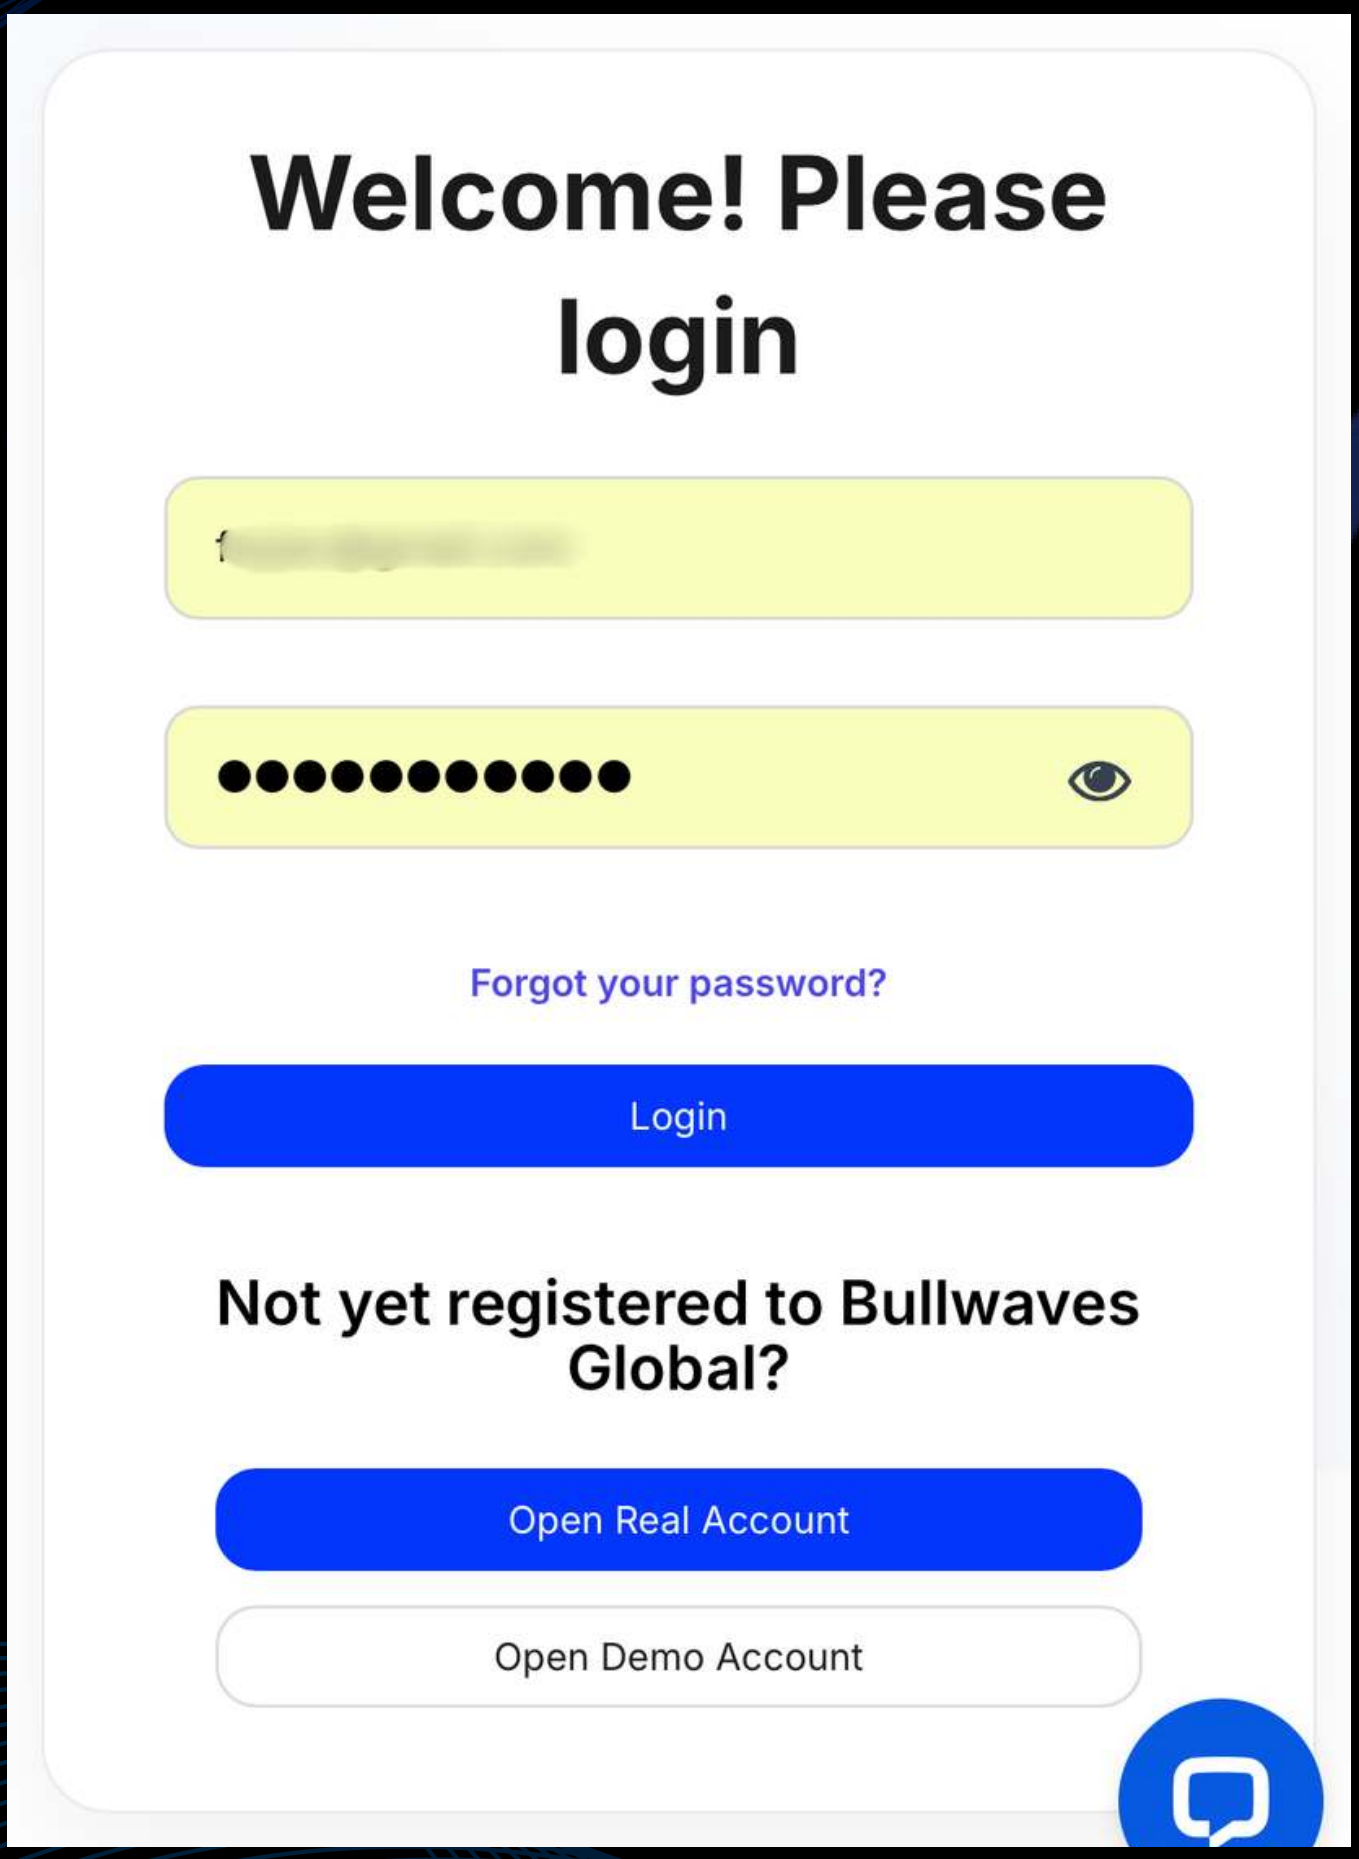

# Go to your email to verify

Press “Click here to verify”

# Go to Bullwaves login page

CLICK HERE

Fill in the details and press “Login”

# Prove your identity

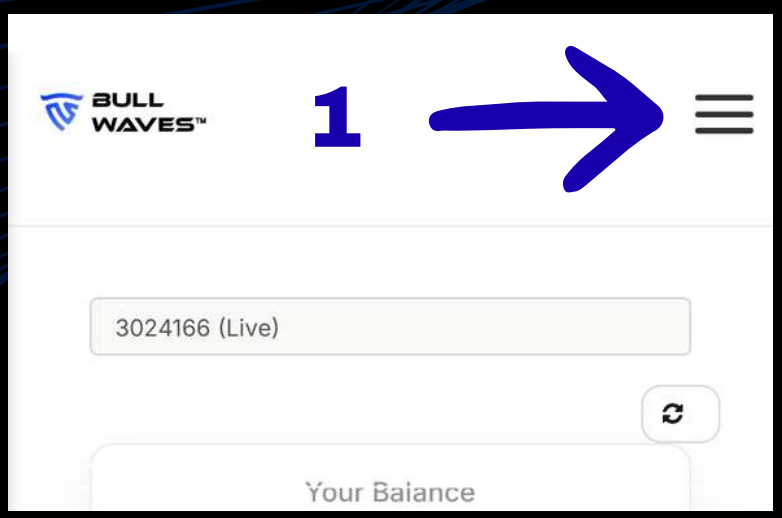

In forex/cfd trading, you need to prove that you are yourself.

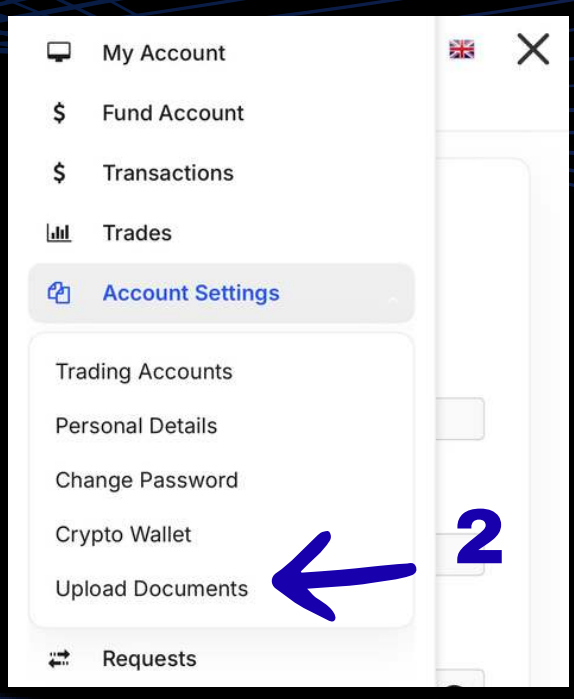

This is called a KYC (Know Your Customer). And is usually ID verification and proof of address.

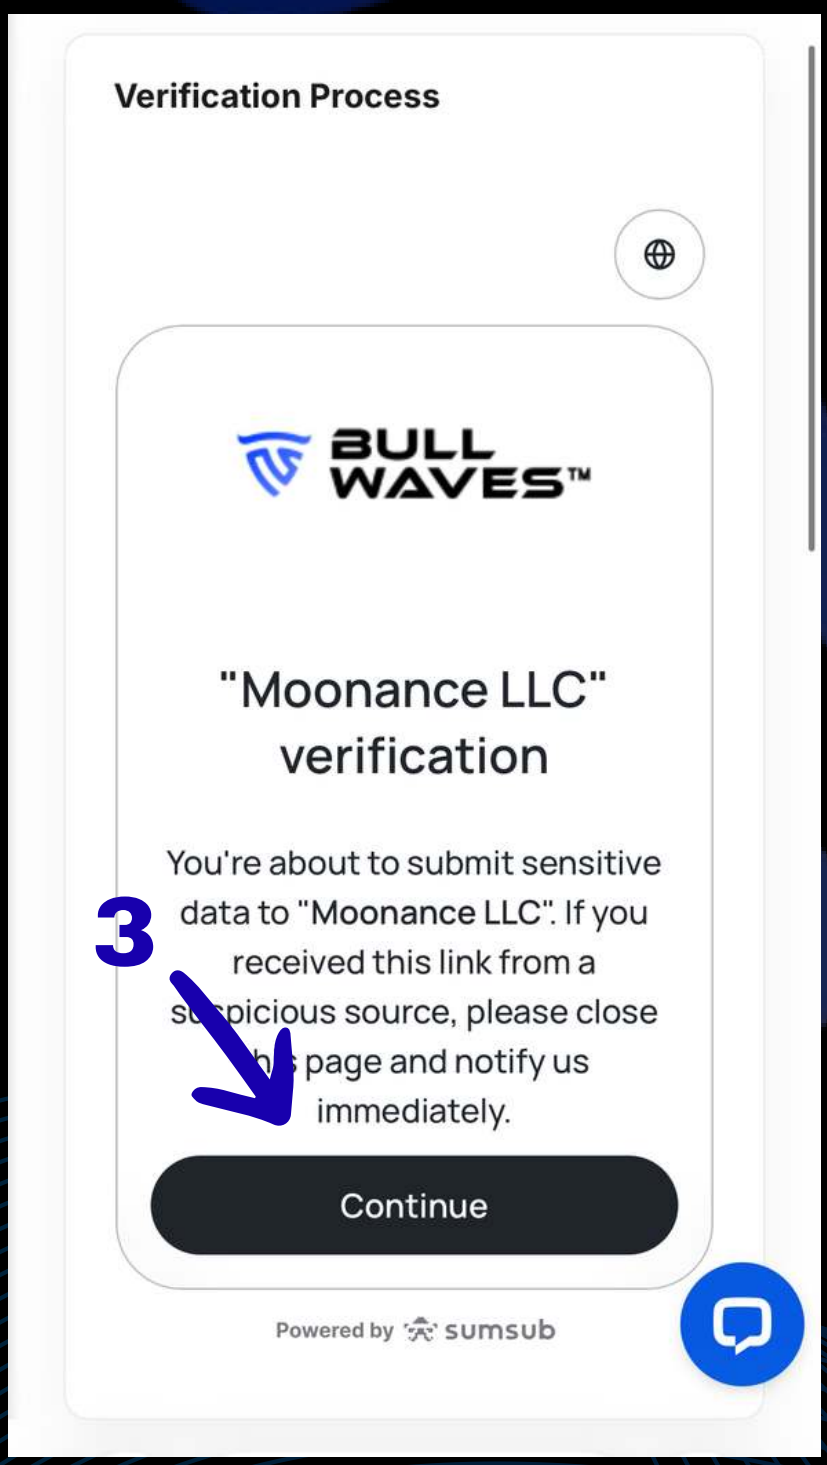

Also make sure to confirm POA (Proof of adress)
